Beautiful 3 bedroom linked Villas overlooking golf course and the Atlantic Ocean near Vila Real Santo Antonio

At the heart of each villa, comfortable open-plan living spaces and floor-to-ceiling windows make full use of the natural light, warmth and views. Elsewhere, each double bedroom comes with its own en-suite bathroom complete with underfloor heating; kitchens are fully fitted and equipped with the latest appliances; and each home has its own
dedicated fibre-optic broadband service.
Private and underground garage with storage area and automatic garage doors.

Outside, particular attention has been paid to space and build density. Beautifully landscaped gardens, extensive terraced areas and a private pool meticulously designed to continue the feeling of comfort and relaxation, so you can either soak up the sun with a book or spend time with friends and family. Monte Rei has the lowest building density of
any comparable development in Europe, allowing you to enjoy your own private space.

At the centre of the community is Veranda, with its restaurant and bar. Residents and guests also have access to the tennis courts, fully equipped gym, spa, sauna, family pool and of course, our Jack Nicklaus
